OBJECTIVE

Looking for opportunity to contribute to a team as Developer (Frontend OR Java-Microservices) for the growth of me and my organization.

ABOUT ME

I am working as Programmer Analyst Trainee since Feb-2022. During my training period I have been trained in JAVA-Microservices, but since allocation of project I have been contributing to my current project as a Junior Developer (Frontend) with skillset of JavaScript, CSS, HTML, React-JS for developing client application console for data management.

So, I am open for the new opportunities as a Junior Developer (Frontend) or in JAVA-MICROSERVICES.
